

# BlackBerry® Pearl™ 8110 smartphone

The BlackBerry® Pearl™ 8110 smartphone combines the great functionality of the BlackBerry® Pearl™ 8100 smartphone with advanced multimedia features and GPS capability. This latest addition to the BlackBerry® range incorporate a 2 megapixel camera, video capture and GPS.

## Designed for...

Customers who want a compact, stylish all-in-one device for voice, push email, browsing and applications plus high quality multimedia capabilities.

## A bit more detail...

- Download attachments quickly and email whilst on the move
- The BlackBerry® Pearl™ 8110 features inbuilt GPS and can be upgraded to full Satellite Navigation with Telmap<sup>1</sup>
- The BlackBerry® Pearl™ 8110 smartphone is available in blue or pink – ideal for those style conscious businesses
- 2.0 megapixel camera with flash, media-player, audio and video
- 64MB expandable memory externally accessible for fast switching between media files
- 1GB micro SD card included in the box – perfect for storing your photos, videos and MP3s. Externally accessible so you can swap files quickly
- Spell-checker keeps messages professional
- Improved SureType® with word completion for faster typing.

## A few great reasons to choose BlackBerry® Pearl™ 8110 smartphone

- Slim, sleek design in two great colours
- Good battery life – up to 3.5 hours talk time/15 days standby time
- Top and rear loudspeaker ports – for improved hands free voice calling and conference calling
- Stereo Bluetooth® support
- Fully integrated GPS capabilities so no need for a separate Bluetooth® GPS receiver.
